

flyscreen MAGNETIC DOOR CURTAIN

MAGNETIC CLOSURE

INSECT PROTECTION

PROVIDES AIRFLOW

Components List

1 x Hook tape/top strip

1 x Pack of side hook tape tabs

INSTALLATION INSTRUCTIONS

1 Clean door frame to remove any dirt or grease.

2 Carefully attach the top strip horizontally.

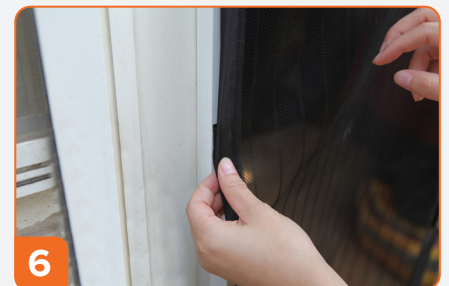

3 Align and attach the left side panel of door curtain to top strip.

4 Align and attach right side panel of door curtain to top strip.

5 Remove side hook tape backing from tabs and fit to sides of curtain.

6 Fix sides to frame ensuring the centre strip magnet aligns.
